Subject: Skagit River GI draft FR/EIS extension to the public comment period (UNCLASSIFIED)
Date: Thursday, July 17, 2014 2:26:08 PM

Classification: UNCLASSIFIED
Caveats: NONE

Hello,

The U.S. Army Corps of Engineers is extending the public comment period for the draft integrated Feasibility Report and Environmental Impact Statement (draft FR/EIS) for the Skagit River Flood Risk Management General Investigation study. This extension will provide interested persons with additional time to prepare comments on the draft FR/EIS.

The draft FR/EIS was published in the June 6, 2014 Federal Register (79FR 32729) for review and comment. Comments regarding the draft FR/EIS were required to be received on or before July 21, 2014. During the comment period, requests to extend the comment period were received. In response to these requests, the comment period for the draft FR/EIS has been extended through August 5, 2014.

This document is available for viewing online at <http://1.usa.gov/1i0Kjzk>. A paper copy is available at the Mount Vernon City Public Library in Mount Vernon, Wash., La Conner Library in La Conner, Wash., Burlington Public Library in Burlington, Wash, and Skagit County Office in Mount Vernon, Wash.

Thanks,

Hannah Hadley
Environmental Coordinator
