Remarks, Comments, Concerns

I am a single, 65 year old woman.  
It is unbelievable that my retirement  
and well being could be "washed away"  
because of the finances of big business.  
I would be completely done. My health  
would be effected and my only home  
gone with no means to move on.  
I am one of many who would be effected  
all for big business!  
Many will boycott these businesses.
