Remarks, Comments, Concerns

Sedro Woolley
I am a resident of Sedro Woolley
I live on Jones St & within the 100 year
flood zone. I am concerned
about the impact of the proposed
the dike in Burlington & the
placing my & my neighbour's home at
a greater risk of flooding. It will
come to my attention that the city
meet '08 and excluded
from the 13P - 14C & discussion related to
the total table
and typical USACE heavy handed
the Corps could do a full & complete
EIS that fully includes the

impact of the proposed the construction
on the City of Sedro Woolley &
surrounding areas.
