Remarks, Comments, Concerns

I am glad that Mayor Anderson has our  
 back on this discussion -  
 We are against a wall at the  
 sewer plant as we live at 837 Alexander  
 St. and that water will flow in. We  
 have been asked to leave (2) times &  
 the water went up 7' ft. that water  
 came for us. We are both former  
 citizens & live on a fixed income  
 can't afford to lose our belongings  
 as we wouldn't have money to  
 replace them even with their money  
 they seem to keep S.W. out of every  
 thing & we have a wonderful town -  
 "Let's keep it that way!"

Thank you again again to Mayor  
 Anderson & Lynn Day. it is always  
 nice to know what goes on -
