Remarks, Comments, Concerns

I am concerned that it appears Sedra Woolley is being left out of the process

I am extremely concerned that the new home I bought for my wife/child/family may now flood if the levees are changed in Burlington

I am extremely concerned that I may be forced to buy flood insurance, something I when buying my house did not need.

I am extremely concerned that the residents of Sedra Woolley are being sacrificed for the residents of Mount Vernon & Burlington
