Remarks, Comments, Concerns

Why protect one town to jeopardize another?

I also live on Federal St. in Sedro-Wadley last year when I purchased my place, I was assured that it wasn't in the flood zone and would not require flood insurance.

This is a concern to every citizen, but an enormous burden on seniors with fixed incomes.

You have to be concerned about our first class water treatment plant and hospital also.

I applaud our city council for taking a stand to be a part of the process.
