

Skagit River General Investigation Study

Public Review of Draft Feasibility Study and Environmental Impact Statement

June 6 - July 21, 2014

Is there anything additional that should be addressed or considered during this study? Please be specific.

Who and how are the people in Steadins and the
Nookachamps areas compensated for the additional 12"
of flood water?

Do you reside within the Skagit River Basin? Yes No

Would you like to be added to the Skagit River General Investigation Study mailing list? Yes No

If yes, provide us with your contact information so we can add you to the project mailing list (please print):
