Skagit River General Investigation Study

Public Review of Draft Feasibility Study and Environmental Impact Statement June 6 – July 21, 2014

We want to hear from you!!

Please take the time to provide your comments. You can submit your comments by:

- ✓ Leaving this form with us tonight at the public meeting or at Skagit County Public Works Office
- \checkmark Putting a stamp on this form and sending by regular mail
- ✓ Contacting Hannah Hadley at Skagit.River@usace.army.mil or at (206) 764-6950

Remarks, Comments, Concerns
I am very concerned about the transfer of MSK
from current ploved zones to current non- gloved
zines.
t purchosed my house in the City of sedro- workey after a careful review of the existing
woolley after a careful review of the existing
and recently proposed blood maps. I am not
is the 100 year (1% nik) zone, un has my
hasterer been in a flood visk zone.
The state of the s
It is fundamentally unjust to transfer risk to me
and force me into the federal flood insurance
program to allow other risky, recent, high valve
developments to escape visic and insurance costs.

Skagit River General Investigation Study

Public Review of Draft Feasibility Study and Environmental Impact Statement June 6 – July 21, 2014

Is there anything additional that should be addressed or considered during this study? Please be specific.
Post project modeling must be presented for review
before we can provide meaningful project comment
Do you reside within the Skagit River Basin? ☑ Yes ☐ No
Would you like to be added to the Skagit River General Investigation Study mailing list? ☐ No
If yes, provide us with your contact information so we can add you to the project mailing list (please print):
