Remarks, Comments, Concerns

We are extre concerned about the TSP. We have not been in the flood plain but under this plan, we are at grave risk. Our beautiful home was built in 1902 + has been on the city's historic Christmas tour. It was here BEFORE Burlington became a retail center.

We bought a home that wasn't in a flood zone on purpose. We do not want to have to buy federal flood insurance. It would cost us \$200 a month with money we need to meet our family's needs.

*better*  
Please re-think this TSP - there has to be a way.
