Subj: Attached letter/current state of affairs

This is to advise that I recently received the attached letter. I have sent a memo to Mr. Graham advising that the remand hearing has not yet been held and that I have not read the letter. We will retain it in our office in case some party wishes to offer it at the time of hearing.

Since time is marching on, I would appreciate word from the District about where we are in getting the data needed for the remand hearing.

Thank you,

Wick Dufford, Hearing Examiner
