Attention: Mr. Ray Holmes

Dear Mr. Holmes:

A meeting was held on September 5, 1962 with the Skagit County Commissioners, the appointed Avon Bypass Committee and the County Engineer.

It was decided at this meeting to ask our U.S. Senators and Representative to meet with us at their earliest convenience to acquaint themselves with the need and desire of the Avon Bypass Project.

We also would appreciate very much if you could help clarify any questions that may come up. Your assistance and help at these meetings will be of much value to us in promoting our part of the program.

Respectfully,

BOARD OF COUNTY COMMISSIONERS,
SKAGIT COUNTY, WASHINGTON.
