Dear Mr. Mack:

Attached, please find a copy of Skagit County's Flood Control report for the calendar year 1985 as requested in your letter of May 22, 1985.

This report includes the funds budgeted by the Dike Districts of Skagit County and Skagit County's River Improvement Fund as well as the Skagit County Flood Control Grant Fund.

Skagit County is doing some flood control work from the Road Fund for road protection; however, I am not showing the dollar figure for this work as I am not sure how much it will be.

Please contact me if you have any questions regarding this report or need additional information.

Sincerely,

W. EUGENE SAMPLEY, P.E.
Director of Public Works
