# PROTECT THE SKAGIT VALLEY

**What is it?**

A Dike Improvement Project providing a high level of Flood Protection for the Skagit River Basin and the water supply for Anacortes, LaConner, Fidalgo Island and Oak Harbor.

**What will it do?**

Provide 100-year Flood Protection or better for lower valley urban areas and 50-year Flood Protection for rural areas.

**What will it cost?**

A yearly assessment of approximately 56¢ per thousand dollars taxable property value decreasing over the next 30 years as property values increase (\$100,000 taxable value equal \$56.00 assessment per year).

Paid by Citizens Committee for Flood Control  
Tony Tronsdal, Chairman
