Board of Skagit County Commissioners
Route 3
Mt. Vernon, Washington

Gentlemen:

Please refer to your letter of 17 January on establishment of Citizens Advisory Committee on Flood Control. We are gratified to learn that Skagit County is taking the steps outlined in your letter to develop and implement a comprehensive flood control plan.

You may be assured that representatives of this office will do everything possible to assist the Committee in its work. Extensive engineering and economic data relating to Skagit River basin planning in the Puget Sound Comprehensive Water Resources Study will be made available to the Committee.

Sincerely yours,

cc: Knutson
