

Skagit River General Investigation Study

Public Outreach on Preliminary Range of Alternatives

April/May 2012

We want to hear from you!!

Please take the time to respond to the questions below. You can provide your comments by:

- ✓ Leaving this form with us today or at Skagit County Public Works
- ✓ Putting a stamp on this form and sending by regular mail
- ✓ Contacting Daniel Johnson at daniel.e.johnson@usace.army.mil or at (206) 764-3423

Which features of the preliminary alternatives do you prefer and why?

Ideas are still general but process sounds excellent on getting to a finished product

Which features of the preliminary alternatives do you LEAST prefer and why?

? Hard to tell until B/C is complete on best protection for most people and/or least flood damage to homes/businesses
